### **Deanship Experience:**

As Dean of the College of Sharia and Islamic Studies at the University of Sharjah, I have worked with more than 30 staff members and more than 600 hundred graduate and post graduate students. I believe in team work for achieving excellency in Education. I have added to my College many valuable issues and made many accomplishments such as:

Getting accreditation from the higher education for many graduate and post graduate programs: BA, MA, and Ph.D. in Sharia and Islamic Studies.

Forming an International Conference on Food and Medicine with co-operation with the College of Health and Sciences in 2014.

New vision and mission for the College

Forming the Strategic Plan of the College for 5 years till 2019

### **Publishing Scientific Research:**

During this academic year (2014-2019), I have been the managing editor of many journals, : Journal of College of Sharia and Islamic Studies at Qatar University from 2017 t till now and the Journals of the North for Humanities and for Basic and Applied Sciences, at the Northern Border University, Arar, and Kingdom of Saudi Arabia (from 2014-2017). My main mission was to establish two scientific periodicals according to international standards. You can view the apove mentioned Journals's sites on both Qatar University and the Northern Border University.
